HOLLAND CENTER

MISSION STATEMENT

- ▶ Holland Center is a day treatment program and medical clinic for children with autism. Holland Center takes a unique approach by integrating proven therapeutic interventions and researched medical treatments in an environment that has been designed to help a child's ability to learn. Our team works with cutting-edge approaches and modalities.
- ▶ We strive always to provide the best in terms of answers, understanding, and creativity even for the most complex children. Holland Center's vision is to provide children on all levels of the autism spectrum a strongly committed team, with comprehensive and seamless programming, in the safest environment.
- ▶ Our desire is for every child to have an opportunity to reach their greatest potential in a loving atmosphere. A personal goal of the founder is for the families to feel the team's compassion and depth of understanding that will allow for the peace of mind that their child is in the best hands.

WHO WE ARE

- ▶ We are a center-based autism treatment center for children with autism utilizing the principles of Applied Behavior Analysis (ABA) and B.F. Skinner's analysis of Verbal Behavior. We serve clients whose ages range from 18 months to 18 years old.
- ▶ Our mission is to provide comprehensive and seamless programming to our clients. To achieve this, we collaborate with the following disciplines that play an integral part of our Holland Center team:
 - ▶  Holland Connections – Speech and Language Therapy & Occupational Therapy
 - ▶  Holland Biomedical Clinic – Biomedical Intervention
 - ▶  Psychology - Psychological Evaluations & Diagnostic Assessments
 - ▶ Private Consultation

JOIN OUR TEAM!

- ▶ Holland Center is seeking Behavior Therapists to join our established, Twin Cities-based program, working one-on-one with children with autism using Applied Behavior Analysis (ABA).
- ▶ We offer a competitive benefits package including:
 - Starting rates ranging from \$18.00 to \$23.00 an hour with hourly rates determined using credentials and performance-based pay
 - A minimum of 23 days off per year; includes 15 days of PTO and 8 paid holidays with multiple opportunities each month to win additional PTO days
 - Comprehensive training on ABA through rewarding hands-on experience in a collaborative upbeat team environment
 - Paid Registered Behavior Technician (RBT) training, supervision, and examination fees
 - Paid supervision for those pursuing certification as a BCBA or BCaBA
 - Health insurance plan options including medical, dental, and vision
 - 401K enrollment option with employer matching
 - You will receive a sign-on bonus of \$1,500 upon the completion of training
 - Opportunities for advancement

We are hiring for full-time Behavior Therapists!

Our Mission: Our mission is to enrich lives. That begins with every life we encounter: Our employees, our clients and those who love and care for them, the communities in which we operate, our stakeholders and those who are yet to join our family.

Our approach: HIA's ABA therapy program focuses on decreasing unique adversities associated with Autism Spectrum Disorder and/or related conditions. Our goal is to promote independence and growth through social emotional skills, sensory processing, self-regulation and communication.

HIA's behavioral health division utilizes a supportive and integrative early childhood mental health program to serve children and families affected by Autism Spectrum Disorder and/or related conditions. We provide center-based Applied Behavior Analysis (ABA) therapy to clients ranging in age from 2-20 years old.

Locations: Eden Prairie & Mendota Heights

Values
