Field Supervisor/Instructor:

Agency:

This evaluation is intended to give the student and the field supervisor/instructor a way to report on the student's performance at the mid-way point of the placement. This tool is used to assess the student's placement during the placement thus far so that actions may be taken to address any issues as soon as possible. It is important that both the student and the field supervisor/instructor critically assess the placement, the opportunities and the experiences to date.

Student Section:

Briefly describe the basic tasks and opportunities you have been engaged in to date:

Describe your experience in connecting the material you have learned in your classes with you experiences in the field setting.

Assess yourself as a learner in your field practicum (i.e., level of engagement, enthusiasm, seeking our supervision, asking questions, following directions, etc.)

Describe how you were oriented to your agency, the placement and your role.

In general, what is working well for you in your placement?

In general, what is not working well or has been challenging for you in your placement?

Student & Supervisor Section:  
Use this section to assess each competency, record questions or concerns and describe plans to demonstrate competencies not yet competed.
