

## SUMMER SEMESTER 2025 IMPORTANT DATES

**October 31, 2024:** Thursday, First day to register for summer courses

**April 29 - May 29, 2025:** Bookstore charging available

**May 26, 2025:** Memorial Day (No Classes)

**May 27, 2025:** Tuesday, First Day of Summer Session

**Last Day to Drop a summer course with a refund:** See date for each individual course in E-Services or the Registration & Class Schedule on the SMSU website under Quick Links.

**May 27, 2025:** Tuesday, Last day to sign up for the Nelnet Payment Plan.

**May 30, 2025:** Friday, Minimum payment criteria must be met to hold your course registrations for all summer courses regardless of the start date of the course. Check your E-Services account online to determine if you have met the minimum payment criteria. A green "GO" symbol means requirements have been met, a red "STOP" symbol means your registration is at risk of cancellation for non-payment.

**June 02, 2025:** Monday, Deadline for signing up for direct deposit if you would like your financial aid overage by direct deposit (rather than by mail by check).

**June 02, 2025:** Monday, **Registration Cancellation for Non-Payment** processed. If you have not met the minimum payment criteria, your courses will be dropped.

**June 04, 2025:** Wednesday, Financial Aid applied. A registration hold will be placed on all students who received financial aid. Holds will remain until June 25, 2025.

**June 06, 2025:** Friday, Financial Aid Overages will begin to be deposited into bank accounts for those who have set up direct deposit. If no direct deposit is set up, checks will be mailed to the student's local address on file as of **June 06, 2025**.

**June 11, 2025:** Wednesday, Due date for summer account balances. If accounts are not paid in full, a \$30 payment plan fee will be charged.

**June 19, 2025:** Juneteenth Wednesday (No Classes)

**July 11, 2025:** Friday, Final Payment due date if on SMSU Payment Plan. A \$50 late fee will be applied if there is an account balance after this date.
